

Speaker biography

Tran Huu Hiep

Mr. Tran Huu Hiep is a member of the Steering Committee of the Mekong delta, an expert on the Mekong Delta. He worked for this organization from 2006 to 2018. Along with the Green Innovation Development Center (GreenID), he was co-founded and co-chaired of "Vietnam Renewable Energy Week" events in Hanoi and Can Tho in 2016 and 2017.

In addition, he is a member of the main research project of the State level "Researching, developing mechanism and policy of regional integration in response to climate change in Vietnam", approved in 2017. In 2017, he successfully defended his Ph.D thesis "Linking the Mekong Delta contributes to national food security" at the Academy of Vietnam Social Sciences". From 1997 to 1999, he participated in training course "Promoting investment in Southeast Asia" organized by Carl Duisberg Gesellschaft - CDG (precursor of GIZ) in Germany.
