

2019 China Wind Power

Conference Outline

21 October (Monday), Beijing Nuo Hotel (2 Jiangtai Rd, Chaoyang District, Beijing)

08:30–12:00 2019 Beijing Renewable Energy Investment Summit

Theme: Globalizing the Energy Transition and Outlook

Chairperson: Leslie Hook, Environment and Renewable Energy Editor, The Financial Times

Media partners: Financial Times, Bloomberg BEF and Foresight Climate & Energy

08:30-09:30	Opening and Keynote Speech Session
09:30 -10:20	Panel discussion 1: Power System 2.0 (Type of speakers: Global Leading Turbine OEMs and Equipment Suppliers)
10:20-11:10	Panel discussion 2: Financing the Energy Transition (Type of speakers: Leading Global and Domestic Banks and Investment Institutions)
11:10-12:00	Panel discussion 3: Globalizing the Energy Transition (Type of speakers: Leading Energy Companies and institutions)
13:30–18:00 2019 China Wind Power	
Moderator: Mr. Haiyan Qin, Secretary General, CWEA	
Themes: Wind Power for Sustainable Energy	
13:30-14:00	Opening Speech Session Welcome address by event organizers Opening address by government representatives Opening address by embassy representatives
14:00-15:00	Keynote Speech Session
15:00 -16:30	Entrepreneur Forum (I)
16:30-18:00	Entrepreneur Forum (II)

19:00–21:00 Welcome Banquet (Invited Only)

22 October (Tuesday) China International Exhibition Center (New Venue)

Room	W201	W105	W103	W102	E4 Exhibition Hall
09:00-10:30	International Market Forum (I): Doing Business in Emerging Markets	Renewables LCOE Analysis and Global Energy Transition-Session	Large Size Rotor Blade Technology Forum (I)	IEA Wind Energy Technology Cooperation and Research Forum	Innovation Theater Opening Ceremony 09:30-10:30 (Invited Only)

		by International Institutes(I)		(I)	
10:30-11:00	Tea Break				Innovation Theater —New products launching events (10:30-12:00)
11:00-12:30	International Market Forum (II): Investment Opportunities in Mature Markets	Renewables LCOE Analysis and Global Energy Transition-Session by International Institutes(II)	Large Size Rotor Blade Technology Forum (II)	IEA Wind Energy Technology Cooperation and Research Forum (II)	
12:30-13:30	Lunch				
Room	W201	W105	W103	W102	E4 Exhibition Hall
13:30-15:00	CTO Forum (I)	Wind Resource Assessment (I)	Wind Farm Directors Forum (I)	Overall Planning of Wind Farms and Ecological Compensation (I)	Innovation Theater —New products launching events (13:00-17:00)
15:00-15:30	Tea Break				
15:30-17:30	CTO Forum (II)	Wind Resource Assessment (II)	Wind Farm Directors Forum (II)	Overall Planning of Wind Farms and Ecological Compensation (II)	
23 October (Wednesday) China International Exhibition Center (New Venue)					
Room	W201	W104	W103	W102	E4 Exhibition Hall
09:00-10:30	Smart O&M Forum (I) (Big data application,smart prediction and troubleshooting)	GWO Chinese Committee Meeting (Invited Only)	Academic Launching Event(I) (Research Entities, Universities, CWP Call for Papers)	Distributed Wind Energy Forum (I)	Innovation Theater —New products launching events (10:00-12:00)
10:30-11:00	Tea Break				
11:00-12:30	Smart O&M Forum (II) (Big data application,smart prediction and troubleshooting)	2019 GWO Forum	Academic Launching Event(II) (Research Entities, Universities,	Distributed Wind Energy Forum (II)	

			CWP Call for Papers)		
12:30-13:30	Lunch				
Room	W201	W104	W103	W102	E4 Innovation Theater
13:30-15:00	Smart O&M Forum (III) (Smart wind farm O&M case studies)	2019 Small & Medium Size Wind Energy Equipment Conference (I)	Academic Launching Event(III) (Research Entities, Universities, CWP Call for Papers)	Auction/Grid Parity: Wind Energy Technology Innovation Forum (I)	Offshore Wind Technology Forum (Turbine, Components and O&M Technologies)
15:00-15:30	Tea Break				
15:30-17:30	Smart O&M Forum (IV) (Smart wind farm O&M case studies)	2019 Small & Medium Size Wind Energy Equipment Conference (II)	Academic Launching Event(IV) (Research Entities, Universities, CWP Call for Papers)	Auction/Grid Parity: Wind Energy Technology Innovation Forum (II)	
24 October (Thursday) China International Exhibition Center (New Venue)					
Room	W105				
09:00-10:30	Specialized Forum on Operational Wind Turbine Upgrading and Repowering (I) (Turbine performance upgrades, aged turbine retrofit and repowering, turbine decommission solutions)				
10:30-11:00	Tea Break				
11:00-12:30	Specialized Forum on Operational Wind Turbine Upgrading and Repowering (II) (Turbine performance upgrades, aged turbine retrofit and repowering, turbine decommission solutions)				
12:30-13:30	Lunch				

The conference agenda is subject to the on-site announcement. The organizer reserves the right to interpret the agenda.
